

Jacqueline Smith Kaiser Accounts Payable September 15 2013-

Fran Lusk, also a KP employee, called on behalf of her son William Tyler Lusk regarding Medical Referral check. States that she would like to have checks issued under her husband's name instead of her son's. Original check, under son's name only, was requested to be re-issued as c/o with husband's name, Jeff, included. I called Erica Hardesty to see if this could be done and she stated that the member said she would go to pick up the check at A/P herself. No further action on my part regarding check and/or reimbursement.
